Kurri Kurri Walking Guide to the Murals

The Towns With Heart Committee was formed in 2000 when representatives of local business, Cessnock City Council, Kurri Kurri Chamber of Commerce and interested community members, joined together with the aim of making Kurri Kurri a better place to work, live and visit. The Town Coordinator has worked with the committee on a variety of different projects but it has been the mural project which has given the community a new pride in the town.

There is now a record number of 23 volunteers who make up the Towns With Heart committee.

Kookaburra

All of our murals have a kookaburra somewhere – some are easy to find and others require a more thorough search, but one is always there.
